## Aligner Cleansing Tabs

**PREVESTDenPro®**  
THE FUTURE OF DENTISTRY

**Product Description :** Oradox Ortho Aligner cleansing tabs are effervescent tablets specifically designed to clean removable orthodontic appliances. These daily cleansing tabs helps to remove stains, plaque and debris accumulated on aligners and retainers.

**Composition :** Sodium bicarbonate, Citric acid, Sodium percarbonate monohydrate, Potassium monopersulphate, TAED, EDTA, PVP, Sodium benzoate, Sodium lauryl sulphate, Coloring and Flavoring agent

**Intended Purpose / Intended Use :** It is intended to be used as a daily cleanser for removable orthodontic appliances.

**Indications for Use :** It is used to clean and remove food debris, plaque, stains and bad odor from aligners and retainers.

**Instructions for Use :** Place the appliance in a glass of 150ml of warm water (33°C to 47°C) ensuring that it is fully immersed and immediately drop one oradox ortho cleanser tablet in the water. Soak for a minimum of 15 minutes to ensure reduction of the biofilm. Acrylic appliances can be soaked overnight. Brush can be used if necessary. Remove the appliances from the solution and rinse well under water before oral use.

**Warnings :** Harmful if swallowed.

Causes severe skin burns and eye damage.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and continue rinsing.

Get medical advice/attention if you feel unwell.

### Precautions :

Discard solution after use.

Rinse retainers or appliances well before replacing it in mouth

Do not place tabs or solution in mouth

Do not drink solution or use it as a mouthwash

**Contraindications :** Do not use on patients with known allergies to any of the ingredients.

**Storage Conditions :** Store at temperature between 10°C(50°F) to 24°C(75°F). Keep away from moisture and heat. The shelf life of the product is valid only if left unopened and correctly stored in a cool dry place.

**Shelf Life :** 2 years from the date of manufacturing.

### Presentation :

Ref: 80018
